**KING
STARBOARD®**

The Original Marine-Grade Polymer Sheet

King StarBoard® is the original marine-grade high-density polyethylene sheet and the leading brand in the marine industry. The King name is synonymous with quality to those who know plastics, and the King StarBoard® brand has been helping pros build better boats for more than thirty-years. It is the product of a proprietary process called K-Stran™, the most advanced manufacturing process for superior flatness and consistency. King StarBoard® has a matte finish. It is environmentally stabilized to withstand the harshest outdoor conditions. King StarBoard® will not rust, delaminate or rot when exposed to UV, humidity or water. It is ideal for a variety of marine applications from replacing wood, to building boat components and furniture. The polymer sheet never needs painting or refinishing, works like wood, and is easy to fabricate with common woodworking tools and techniques.

HDPE galley kitchen integrated with a removable cabinet face that doubles as a side table, and cutting board.

Applications

KING STARBOARD®

The Original Marine-Grade Polymer Sheet

Features and Benefits

- Environmentally Stabilized
- Waterproof
- High-Grade HDPE
- Will Not Rust, Delaminate or Rot
- Chemical Resistant
- Never Needs Refinishing or Painting
- Maintenance Free
- Precise Tolerances Ensure Consistent Color, Thickness and Density
- Custom Sheet Sizes, Gauges and Colors Available

Custom-built overland vehicles

Designed to handle the most rugged terrain

Applications

- RVs
- Trailers
- Overland Vehicles

Built for high-end, comfortable adventures
